

Stuff the Stocking

APWA is excited to stuff the stockings for Neighborhood Housing Services of Southern Nevada (NHSSN) residents. NHSSN's purpose is to provide affordable housing and education to promote future home ownership for southern Nevada families living at or below 60% of the average household income. APWA will treat the residents of several housing communities with a visit from Santa bringing gifts to meet their needs. YOUR donation will help these hard working, local families have a little extra over the holiday. Donations of check and cash will be accepted and you can leave the shopping to Santa's Helpers. Checks can be delivered to Gina Venglass at the City of Las Vegas, payable to APWA. We've already started collecting, and we'll keep collecting until the holiday luncheon on Thurs, December 14 at Fogo de Chao! We are looking forward to another successful fundraiser this year and thank you in advance for your generosity!

Santa's Helpers
